### **FALL IN TO GRACE**

Many New Englanders say that autumn is their favorite season. It is easy to understand why. It is in the autumn when we are treated to crisp blue-sky days, trees afire with color, and the delicious fruits of the late summer harvest.

Fall is also the season when programmatic kinds of things start up in great number. School is back in session, Church School gets going again, and fall sports get into high gear. And this: this is one of the times of year when folks might begin looking for a church that brings them into the company of others who love God, want to serve, and are seeking a word about God's great love and grace. And, of course, as our church coach Paul Nickerson has taught us, there is that 90% of our fellow New Hampshire residents who have no concept of how great it is to be part of a loving community of faith, and who might come if invited.

In the past year, we have seen a rise in our country in the incidences of hate speech, and an emboldening of groups with racist and anti-Semitic ideologies. People who have joined those groups and later broken away have explained that what attracted them was the sense of belonging and purpose provided. Those who have escaped that path have found that life events such as receiving kindness they did not deserve or the birth of a child caused them to wake up and step away from a life pursuing the harm and hatred of others.

Our congregation is a loving community of faith, brought together by belief in and love for a graciously caring and forgiving God who calls us to lives of faith, and to love our neighbors as we love ourselves. In our fragmented world, with so much incivility, rancor, and worse, churches such as ours are crucially important to the health of communities; they can provide that sense of belonging and purpose so very longed for by so many, and do so in a loving, constructive way.

Paul Nickerson taught us that churches like ours are not always good at inviting friends, family and neighbors to church--only 2% of church-goers do! As he says, if you find meaning in your church life and love your church, why wouldn't you want to share it with people you care about?

Let's continue to extend warm-hearted invitation to folks in our area who have not yet experienced the warmth and caring of our church, a church in which the grace and love of God is preached, celebrated, and lived into.

This autumn, may we invite many to fall into grace!

Blessings and peace,  
Mary

*For I am longing to see you so that I may share with you some spiritual gift to strengthen you—or rather so that we may be mutually encouraged by each other's faith, both yours and mine.*

St. Paul, writing in Romans 1: 11-12

## TREASURER'S REPORT

Operating Budget (Non-restricted): July 1, 2017 ó Aug 31, 2017

General Income:	\$ 28,570.04
Additional Income Sources:	\$ 5,000.00
Expenditures:	<u><u>\$26,829.20)</u></u>
Net Income over Expenses	\$ 6,740.84

Checking Non-Restricted balance: \$ 13,499.50  
Checking Restricted Funds balance: \$ 3,416.91  
Total Checking A/C balance: 8/31/17 \$ 16,916.41

Income continued to outpace expenses for the year as of Aug 31st for two BIG reasons: the Parish Helpers and the Annual Yard Sale.

We received the Parish Helpersø extra special \$5,000 gift for the 2017-2018 general budget during August. Thank you, dear ladies, for your continual support of our beloved church.

At the end of August, the church was a buzz of activity due to the Annual Church Yard Sale. The final tally for this very successful sale will be over \$4,300, beating last yearøs record. Thanks to all the volunteers who worked diligently completing the many tasks required to carry out this major fund raiser.

The FUN-d Raising gathering held on Sunday, September 17 was an energetic discussion. It was enhanced by the attendance of several church members who are not coöordinators of a specific ministry. Their participation and valuable suggestions added to the discussion. A follow-up meeting is planned for October 3 at 6:30pm at the church. All are welcome to come, listen, & if you feel so moved, to offer ideas and thoughts.

## HOMELESSNESS IN WAKEFIELD

We have awarded a grant from our Jennifer Russell Mission Fund to take a hard look at homelessness in our town, and to make an initial program design proposal. The New Hampshire Coalition to End Homelessness, under the auspices of Families in Transition, will soon begin this work by running two Focus Groups. The conversations that take place in these groups will begin the all-important process of needs assessment of housing security issues in greater Wakefield. Any who are interested are welcome to attend, and to get on the mailing list for those interested in having a voice as the project unfolds.

The first Focus Group will meet in our Fellowship Hall on Wednesday, October 4th from 2 to 3 in the afternoon. The second Focus Group will gather in the same place on Thursday, October 19th at 2. You need only attend one of these to offer input. We are very excited to launch this important project! If you'd like to be included, please let Pastor Mary know. You may call her at the church (522-3189), or email her at [fccwpastor@gmail.com](mailto:fccwpastor@gmail.com)

## FUNDRAISING !

What a great FUNdraiser brainstorming session we had after church on Sunday, September 17<sup>th</sup>. Many thanks to all those who participated either by attending the meeting or sending along your ideas. Now itøs time to delve deeper into the feasibility of all these wonderful suggestions. And to that end, we will be having a follow-up FUN meeting on Tuesday, October 3<sup>rd</sup> at 6:30 in the Parish Helpers room. Please consider joining us as we hash through the what, when, where, and howøs of introducing new ways to help strengthen our church community.

## BUILDING & GROUNDS UPDATES

B & G likes to say that our church is a building that never sleeps! Thank you to everyone who økeeps watchø and letøs us know when something isnøt working (like the stove), that we are nearly out of essentials (like soap, toilet paper, Kleenex, paper towels), that something is missing (like a fire extinguisher ó found it!), like leaks in the roof (oh my) and even the presence of wasps/hornets/mice (YIKES!). Bless your eyes for seeing, your voice for saying and your hands for helping! We are grateful!!!

B&G Ministry Coordinators*

## **PROTECT THE SCARED NEIGHBORS IN NEED (N-n-N)**

The Neighbors in Need offering, which will be collected the first two Sundays in October, supports the UCC's Justice and Witness Ministries. This ministry funds an array of local and national justice initiatives, and service projects. Through N-n-N our UCC advocates issues like voting rights, immigration, health care, civil liberties and environmental justice. It also supports the UCC's Council for American Indian Ministries (CAIM). Our American heritage is founded in the Native tribes of this great country. Due to CAIM there are over 20 congregations on reservations nationwide. This year's theme is; "Protect the Sacred: In a Just World, Clean Water is Life." I can't imagine anyone disagreeing with the idea of safe, clean water. All of our American communities deserve clean water, and your contribution to Neighbors in Need will assist in providing the necessary tools to secure that right.

*Donna V Ackerman, Outreach Coordinator*

## **ROCK STARS**

Biblical Numerology continues to highlight October's lessons and crafts.

**October 15:** The Rock Stars will talk about the number **ten** and of the **Ten Commandments**. "I will give you tablets of stone and a law" (Exodus 24:12-13). The craft this week we will make a Fall wreath. Each wreath, composed of colorful leaves, will have a commandment written on them.

**October 22:** There are **Eight** Fruits of the Spirit and there are **Seven** Joys of the Virgin. The Rock Stars will each choose one of these themes to make a beautiful windsock. Ribbons on the windsock will represent the theme chosen. Why a windsock? Because "This is what the Sovereign Lord says, come breathe, from the four winds, and breathe that they may live" (Ezekiel 37:9).

*Denine Foulks*

## **SAVE THE DATE — BELLS CONCERT**

Our annual Wakefield Memorial Bells concert will be held on Saturday, December 2, 2017. There will be TWO performances at 2:30 and again at 5:00. The Wakefield Inn will be serving meals before both concerts and a third seating after the evening concert. A snow date is set aside for December 16. More details will be forthcoming regarding ticket purchase and dinner reservations.

## **PRAYER CHAIN EXPANDS!**

The prayer chain is expanding to texting! In addition to the telephone chain and the email notification of prayer concerns that we have been using, we are adding a texting list for prayer concerns as well. Our goal is immediate intercessory prayer; the addition of the texting piece will enable us to increase our prayer power for the concerns of our congregation and friends.

Want to be a member of the prayer chain? Just get in touch with Harriet Wilson ([dhwilson39@gmail.com](mailto:dhwilson39@gmail.com)) and give her the information:

Phone chain: Name and preferred phone number

Email list: Name and preferred email address

Texting list: Name and cell phone number

You may also contact Carol Jeffery, 522-8915 (home), 828-5633 (cell), or [carol.jeffery@gmail.com](mailto:carol.jeffery@gmail.com) to get added to the texting list. We know prayer power works! Please consider joining this important ministry/outreach.

And if you have a concern, please call any member of the phone chain to get this power working!

## **HAPPY ANNIVERSARY TO US**

On the 22nd of September our church had its 232rd anniversary. This date commemorates the ordination day of our and Wakefield's first settled pastor Reverend Asa Piper. Rev. Piper was a divinity student graduate of Harvard College and stayed as our pastor for nearly fifty years. The original combination church building and town meeting hall was erected on the site of what is now Lovell Lake Cemetery. It was finished in 1800 and then moved to its present site in Union in 1829. A new building on our present site was completed and dedicated in 1831. It was one of the finest examples of New England church architecture and was patterned after an ancient church in England.

### 160 YEARS AND GOING STRONG

I wonder how many people realize that the Parish Helpers have been an integral part of our church for 160 years! Yes, 160 years! The group was first organized in 1857 as the "Ladies Sewing Circle" where the women of the church would earn money by taking on sewing projects. The money taken in would be donated to the church with the primary purpose of supporting the minister's salary!

And the Parish Helpers are still going strong! We go well beyond sewing projects to earn money throughout the year, and our charitable donations have expanded as well. We donate annually to the First Congregational Church and to the church Flower, Music, and Camp Funds. The Parish Helpers have purchased items to beautify the church such as new carpeting in the sanctuary and pew cushions. Our charitable giving includes scholarships and donations to several organizations such as Friends of Orphan Trust in Zimbabwe, NH Women's Fellowship, Paul School Outreach, VNA/ Hospice, Meals on Wheels, United Campus Ministries, Gafney Library, Wakefield Library, PH Life Memorial, & UCC Missions.

**We will celebrate our 160th Anniversary at our next meeting on Thursday, October 12, at 1 p.m.** We will have a brief business meeting, have a silent auction and maybe a surprise or two! For the Silent Auction, we ask that you bring an item (new or nearly new) that you already have and no longer want, but may be wanted by someone else. We will set the items up on a table and you will be able to go around and place a "silent" bid on the items. Most items will sell for under \$5. Historically, the proceeds have gone to the "Sunshine Fund" which pays for cards and stamps to send to our members throughout the year. You are not obliged to bring an item! But the more choices, the more fun!

All women of the church and community are welcome to join the Parish Helpers. You do not have to be a member of the church. Hope to see you at our next meeting!

Carol Jeffery

## NEWS FROM ZIMBABWE

You may have seen the video of the girls at Masimbe Secondary School or Mariya Primary School receiving our first distribution of the washable, reusable sanitary pads. The singing, the dancing, the overall celebration ò OH MY! Girls received four pads, a small mini bag to carry them in and a new pair of underwear. (Can you even picture girls in America over the moon over such a gift?) Sibongile Mukonzvi, Deputy Director of PKZ and I were in charge of the distribution. I did a presentation to the staff and Sibongile and I spoke to the girls how they were the first group in this initiative to help girls stay in school. We discussed the importance of girls staying in school and did a demonstration with the kids on how to use these new fangled things with snaps in unlikely places! As many of you know, girls in Zimbabwe miss one week of school each month, then fall behind their male classmates, and are then likely to drop out of school because they lack access to basic necessities. It was an outstanding success and the word is spreading. Schools everywhere hope they will be next, yet our focus is on the most rural areas where both distance and money are barriers. We have more supplies on the next container thanks to so many generous donations.

**Saturday, October 11 is International Day of the Girl**, a day to focus on gender equity and programs to improve the lives of girls. [<http://www.un.org/en/events/girlchild/>] The Zim PKZ team will be recognizing this special day with a special event in the Chipinge District. Sibongile, a pretty good seamstress when she isn't working on classes for an Honors Shona degree, is leading the workshop on Oct. 11 to teach Fashion and Fabrics teachers, other adults, and a variety of secondary school students how to sew these reusable pads. We will be partnering with Lillian Mutsumbei, wife of Rev. Mutsumbei, and utilizing the sewing machines we have sent to the Mutsumbeis over the years for our special workshop. The location of Ratleshoeck, near South Down where the Mutumbeis are located, was chosen because of the availability of electricity. Very special thanks to Cathy Koukal and to Cindy Eggleston for making the sewing material and supplies available. Since nothing is ever simple or easy in Zimbabwe, PKZ will provide money for bus transportation for those who have to travel long distances. This is such an exciting and cutting edge kind of project here. Stay tuned for photos!

Our PKZ team is also working on all kinds of logistics to make the clearing of the container much, much easier this year. Director Vrante Mahlupeko is traveling to Harare as I type this to

receive our long awaited paperwork which gives PKZ ñduty freeö status. This means no paying the Zimbabwe Revenue Authority exorbitant fees to bring anything across Zim borders. Now, the Hippo Rollers are not far behind! This also means work on the clinic in on the horizon (yet more bureaucratic hoops to go through) but it brings us much, much closer. PKZ is working on the site logistics for the borehole in Angus Village, the repair of an existing borehole that is no longer working and TWO early childhood education buildings. People are mighty excited!

Admire Matende, our PKZ special projects officer, is overseeing our micro finance projects yet complications arise. The Zim government is printing money again and everyone is worried about the hyper inflation of 2008-2009 (The rate of inflation was 250,000,000.... you read that correctly.) So our American dollars are highly valued and the worry is that the projects will return money in what could be extremely weak Zim bond notes so we are moving slowly in this area.

You know how one thing leads to another and another? Well I am REALLY excited to announce PKZ will be starting a community education center in early 2018. Sean Kenney, Spauldingøs Computer Technology Teacher and all around good guy, has reconditioned 11 computers (laptops and desktops) and included a variety of necessary supplies on the container to hook it all up and get us going. He is willing to teach basic computer skills and computer networking and repair long distance via Skype. We also have sewing machines on the containerí more workshops on sanitary pads and other types of sewingí and there are booksí just perfect to create a small lending library. The container pulls all of this good work together to create our PKZ education center.

And speaking of the container, many, many thanks to all who made this a reality! Donna Vanderhoof and the Brewjos for the loan of the much needed storage facility, Nate Fogg and John Crowell for their critical support for getting all the goods there, Ann Bilodeau for coordinating the mess I left behind, Jo Szribik, Jan Stanley, Evy Trunhe, Cindy E, Sam, Jillian, Max and Annie Gehring, Julia, Clarke, Bob Foulks, Ron Kratt, Chris Feddern and a HOST of other people who helped pack, those who donated all of the needed items, and all of you who supported this annual endeavour by coming to our pancake breakfasts. Your good works are producing miracles across the miles. God bless your kind and generous hearts.

Connie

## THANK YOU!

I want to thank everyone for their wonderful contributions to the Yard Sale Boutique this year. I was absolutely overwhelmed with the response and so very, very pleased. Together we were able to offer a Boutique that will not soon be forgotten. If anyone has ever seen Filene's Basement on a super sale day, that's kind of what it was like. Some people got REAL DEALS, others got needed clothing. Everyone left happy. A bag of coats has been saved for the fall coat drive. I saved quite a bit for the next sale and I will try to sell some other things online. Some was also taken to Savers for resale.

Thank you also to those who stepped in to help with the Boutique, because it was so much more than I ever expected it to be, and way more than I could have handled on my own. Thank you, Julie, Susan, Libby, Julie, Jillian, Linda and Lin. Wow! You were all so great. Do you think we can do it again next year?
